Resolved that the Coalition forms an enlargement Committee, as of Fall 2018, in which students of all disciplines and all levels of study will be invited to participate to a mobilization tour across all of Quebec's region;  
In the event of the Government's failure to implement a wage program for all internships, resolved that the Coalition members adopt a mandate for unlimited general strike of courses and internships which is to begin in Winter 2019 when these minimum criterias are met:

- 20 000 students have adopted such a mandate
- These 20 000 students are spread across three regions;

Resolved that the Coalition promotes a mobilization campaign such as this one (with an ultimatum and unlimited general strike mandate) to other Coalitions or other collegial or university student associations in Quebec or outside Quebec;

Resolved that Coalition members sollicite monetary fund in order to support the mobilization activities for paid internships;

Resolved that the student associations members of FECQ, ASSÉ or AVEQ and involved in the campaign for paid internships demand as of Fall 2018 donations of 20 000 \$ to be used in a strike fund which would support the unlimited general strike;

Resolved that the members of the Coalition go on looking for support to the campaign for paid internships from unions in order to increase the pressure tactics, and that the members of those unions (teachers, nurses, social workers, midwives, etc.) refuse, in solidarity, to employ interns on strike in their workplaces.

## **EXTERNAL COMMITTEE**
