NEWSPAPER COMMITTEE

«That a newspaper committee of the Montreal Regional Coalition for paid internships be formed and be open to all;

That the committee's mandate is to organize the production of a newspaper and not to write all of its content. In this sense, that the committee finds people interested in writing articles and follows up with them;

That the content of the journal has pedagogical objectives and reflects the political orientations of the Regional Coalitions;

That the authors be composed of a maximum of 50% of cis men and come from at least 3 regions involved in the campaign for paid internships;

That the articles be signed individually or on behalf of a group or an association;

That invitations to the committee's meetings and its minutes be distributed throughout the communication channels of all regional coalitions in order to encourage the collaboration of all regions;

That the newspaper committee consult the coalition through its email list and make the necessary changes to the newspaper's content considering the comments received;

That the committee take charge of the distribution of the newspaper;

In order to coordinate the distribution, that the newspaper committee prepare a list of people who wishes to receive the newspaper and make a call in our networks to get said contacts.»

Volunteers: Paolo et Guillaume

UNITED CAMPAIGNS FOR 15\$/HOUR

«That the Montreal Coalition sign the joint declaration and invite the other regional Coalitions, groups and associations involved in the campaign to do the same;
That a student intern involved in the Coalition be delegated to participate to the United Campaigns for 15\$ meetings and be available to organize an action to this effect.»

Task for the External Relations Committee

LIAISON COMMITTEE

«That a liaison committee be mandated to act as an intermediary with the government;
That this committee receives government offers and brings them back to coalitions and general assemblies;
That the Montreal Coalition's delegation for the Liaison Committee be fully renewed at each meeting of the Coalition;
That the Montreal Coalition's delegation be composed of 3 people on strike, including a person who studies in a CEGEP, at least two people who have an internship in their academic training and with a maximum of a single cis men;
That the Montreal delegation be contacted via the email address of the Montreal Coalition;
That meetings between the Liaison Committee and the Government be made fully available to all strikers with the use of audio-visual support.
That no liaison be held if delegations from all striking regions are not present at the meetings;
That we invite other regions to discuss and deliberate on the Liaison Committee, its role, the composition of their delegation and how to contact it.»
